YBARRA SERRET  
*for Coordonné*

*Serenity and tradition*  
reside within this vast rural  
landscape, just a stone's throw  
from Britain's capital city.

Broad Campden, Gloucestershire, England

Leather boots and traditional attire blend into scenes of deer, partridges, bloodhounds and regal-looking ducks. This view of a British autumnal paradise has captivated Coqui Ybarra beneath the dense English clouds. The scent of damp Cotswold wood mixes with brushstrokes in earthy tones and bright ochres from artist Coqui Ybarra, generating a unique picturesque charm.
